WINEMAKER'S NOTES

The 2021 vintage was a personal milestone for me as it marked a decade at Baldacci Family Vineyards. My goal with this vintage was to convey a serious and elegant expression of the grape varieties and terroir throughout Napa Valley's diverse AVAs. A smooth growing season with low precipitation yielded smaller grapes with intensely concentrated flavors. Quality was high across the board and the wines are approachable and complex now, with the concentration and structure to age.

Los Carneros Honey B Vineyard

Vineyard Statistics

Acres: 23 total acres, 21 vine acres

Baldacci Owned: Yes

Vineyard Name: Honey B Vineyard

Appellation: Los Carneros, Napa Valley

Climate: Cool, with prevailing marine winds from the San Pablo Bay and through the Petaluma Gap to the west. High temperatures during summer rarely exceed 80°F with less diurnal range.

Elevation: Sea level to 700 feet

Rainfall: Lowest in Napa Valley: up to 24 inches annually.

Soils: Clay dominated, very shallow in general, with more loam and hillside alluvials in the northern section. Yields typically are restrained by the hard clay pan subsoil, which prevents deep-rooting.
