

2014 Brenda's Vineyard Cabernet Sauvignon

96 points

Available from the winery as part of a library release 3-pack with the Ruppert and Calistoga bottlings of the same vintage, the 2014 Cabernet Sauvignon Brenda's Vineyard is seemingly at or near its peak drinking years. Mouthwatering aromas of ripe black cherries and cinnamon appear on the nose, while the full-bodied palate is plush and silky, with a wonderfully developing texture and ample length on the finish.

2014 Ruppert Cabernet Sauvignon

95 points

Available as part of a library release 3-pack that includes the Brenda's and Calistoga bottlings from the same vintage, the 2014 Cabernet Sauvignon Ruppert showcases classy scents of black cherries and cassis, plus an attractive licorice note. Full-bodied and supple, with a creamy texture, it's rich and intense, with a lingering finish.

2014 Calistoga Cabernet Sauvignon

92 points

From the same Calistoga source as the current Stella Knight Vineyard bottling, the 2014 Cabernet Sauvignon Calistoga is mature but still possesses several years of enjoyable drinking ahead of it. It's marked by gentle leather notes, black cherries and cassis on the nose. It's full-bodied and velvety in texture, with just a hint of coarseness to the finish. It's available from the winery as part of a library-release 3-pack that includes the Brenda's and Ruppert from the same vintage.
